The diagram is a genealogical chart template. It features a central vertical line. From this line, horizontal branches extend to the left and right. On the left side, there are two main branches, each leading to a horizontal line for a name and a registration number. On the right side, there are four main branches, each leading to a horizontal line for a name and a registration number. The branches are connected by vertical lines, forming a tree structure. The boxes for names and registration numbers are empty, indicating that this is a template for a certificate.
